

This week in Year 6 we have been;

- Editing our report on black holes
- Calculating cost and profit for the mini-fair attractions
- Begin to rehearse our KS2 performance
- Creating a piece of 'Alice in Wonderland' inspired artwork

### Writing Moderation

As part of the assessment process at the end of KS2 the quality of the children's writing is assessed. To ensure there is consistency across all Year 6 pupils this process is moderated by teachers from other schools. The moderation for Year 6 took place on Wednesday this week. Unfortunately we cannot give you any specific results at the moment (this will officially be communicated with you in their end of year report) but we would like to share with you the comments made by other teachers at the moderation. They commented how lovely the writing was, how it was very obvious that they like writing and the superb progress made in the quality of the writing. We are very proud of receiving such lovely feedback and have shared these comments with the children.

### Bike Week

The whole school will be taking part in Bike week next week. The children have the opportunity to bring their bike (or scooter) to school and ride it during one of their PE lessons. For Year 6 this session will take place on **Wednesday 14<sup>th</sup> June**. Please make sure that cycling helmets are also provided as the children will not be able to take part if they do not have a helmet.

### Year 6 Friday Fair

Next week will see the final preparations for the mini-fair on **Friday 16<sup>th</sup> June**. The games on offer have been confirmed as:

Hook-a-duck; 'Play your cards right'; tin can alley (*empty cans needed!*); bean bag in a bucket; lucky dip

We will also have stalls offering finger knitting and refreshments (squash, cakes and ice lollies)

As the previous cake sale was such a success we thought we would add this stall to our refreshments - the cakes made for the last sale were really lovely so if you fancy donning those aprons again and making some cakes for us to sell at the fair we would really appreciate it.

If you also have any small items suitable for the Lucky dip stall you are able to donate we would be very grateful. The children have discussed small note pads, pencils and rubbers and bottle of bubbles as being suitable prizes.

All donations would be gratefully received, please send them in to Year 6 at any time before next Friday.

### INSET Day

Just a reminder that the school will be closed to pupils on **FRIDAY 30<sup>TH</sup> JUNE** for staff training.

### KS2 Performance

Rehearsals have begun in earnest for the production. The dates of the evening performances are **Tuesday 11<sup>th</sup> and Wednesday 12<sup>th</sup> July**. A letter giving details of how to obtain tickets for the performance will be sent out soon - please watch this space.

Celebration Certificates

The following certificates were awarded in this week's celebration assembly:

Personal Excellence Certificates
<b>Awarded to:</b> Harry Russell, Tamzin Hope, Harry Middleton, Euan Lockwood-Farrant, Luis Townsend, Cameron Pawsey-Yeates, Teddy Sutton, Holly Harris, Serena Brown, Yasmin Newman, Jimmy Russell
For being helpful editing partners

Have a lovely weekend
