

This week in Year 6 we have been;

- Cashing up our takings from the mini-fair and calculating our profit
- Working with Year 3 in an outdoor maths session focusing on 'Times Tables using leaves'
- Rehearsing on the stage
- Writing our pupil comments for our end of year report
- Learning about and forming 6 point grid references
- Designing and making the scenery for the KS2 performance

Next week we will be:

- Applying our map skills to some fieldwork around the village
- Continuing to make the scenery and props for the KS2 performance
- Continuing to develop our throwing techniques in track and field events with Ms Cavanagh

### Water Bottles

As the temperatures soared across the country this week we would just like to remind you that the children are advised to have a refillable water bottle in school with them every day. This is the most convenient way to keep them hydrated as they can take a drink whenever they need to and are able to refill them from our water fountains during the day. Your co-operation with this matter is much appreciated.

### Fieldwork Trip

On **Thursday 29<sup>th</sup> June** the class will be out and about in the village applying their recently acquired map skills to some fieldwork activities. The children will be required to wear normal school uniform and have a water bottle with them. They will be back to school in plenty of time for lunch.

### NSPCC - 'Speak out, stay safe' Sponsored event

A quick reminder that any sponsorship money fundraising event (linked to the number of laps completed on our bikes or scooters during Bike Week) need to be handed in by **Tuesday 27<sup>th</sup> June**. The representative from the NSPCC will be back in school on Tuesday to collect in all the funds.

### Year 6 Friday Fair

Thank you so much for your support of our fundraising event last Friday. It was a great success and we have received some lovely comments from parents who were really pleased to know that the class had organised the whole event and had learnt so much about money and budgeting as a result. We have cashed up our takings and the grand total taken at the tills on Friday was £232.30. This is a fantastic amount and the class will be making a donation to the NSPCC and be able to lay on quite a spread at the Leavers' Cream Tea.

### Enterprise Events

As a result of our really successful mini-fair we have a number of other events planned over the next few weeks. Year 6 will be taking over the running of the Book Fair when it arrives in school on 29<sup>th</sup> June. We shall also be making the most of the lovely warm weather and be selling ice lollies on the playground after school on Friday and (as we have a few sweets left over) be organising a mini tuck shop to grab some weekend treats at the end of the school week. The class will be asked if they wish to volunteer to help out at any of these events.

### INSET Day

Just a reminder that the school will be closed to pupils on **FRIDAY 30<sup>TH</sup> JUNE** for staff training.

KS2 Performance

Rehearsals have begun in earnest for the production. The dates of the evening performances are **Tuesday 11<sup>th</sup> and Wednesday 12<sup>th</sup> July at 6.00pm**. A letter giving details of how to obtain tickets for the performance will be sent out soon - please watch this space.

**Have a lovely weekend**

**Year 6 Teaching Team**
