Our trip to Bedgebury Pinetum

Class 1 had a BRILLIANT time on their class trip to Bedgebury Pinetum on 19th June. We went via minibus to the forest and were met by a lovely lady called Vikki. She had set up lots of activities for us to do! We had to dress up as a forester and ride in a wheelbarrow along a course. It was quite tricky to steer the wheelbarrow but we loved sitting inside! We had to guide each other through a forest trail. The floor was bumpy and there were narrow bridges to cross, but we were brilliant with instructions so made it safely around the course! We also had a go at using sticks and string to pick up items in the forest. We made a bridge out of crates and planks to get safely across the 'muddy river' AND we had to use all our strength to move tyres from different pillars in the right order. Lastly, we made our own SUPER shelters out of logs, branches and twigs. When we finished building them Vikki poured water over the top to see if they were waterproof! Obviously, we had built them very well so only got a little wet! We really enjoyed our day out. We were very well behaved all day, had lots of fun and now know we are FANTASTIC at team work!

Have a good weekend!
