★ This week we have...

- Continued writing our non-fiction booklets in English.
- Focused on position and direction in maths.
- Identified and described parts of a plant in science.

Next week we will be...

- Finishing our non-fiction booklets and starting to write our own magical adventure story in English.

☆☆

- Recognising and naming 3d shapes AND representing and using number bonds and related subtraction facts to 20 in maths.
- Discussing what a plant needs to grow in science.
- Setting new goals for Year 2 in PSHE.

<u> Homework 7th July</u>

★ For our last piece of homework in class 1, we would like the children to reflect on the year and fill in the boxes on the sheet. They will need to think of their favourite moment, best thing they learnt, a memory they'll keep etc.

★Spellings are in reading records as usual.

★Buster's Book Club

This week in Class 1 we had 17 children who met the reading target, 11 children who exceeded the reading target and totalled 123 additional minutes of reading. Our STAR READER this week is HENRY.

Sports day/Book look Friday 7th July 2017

Thank you to all that came to sports day and book look. We had a brilliant morning walking around the village, dancing and showing you how speedy we are in our KS1 races! We hope you enjoyed the morning and were as proud as we were watching our little penguins try their best with huge smiles on their faces!

Lego swap afternoon

The Lego swap afternoon was a huge success this week! Children were very keen to show each other all of the cards they had collected and all swapped cards very sensibly and fairly. Hopefully we have managed to fill the remaining gaps in books!

★ Have a good weekend!

Miss Crayford
