

Hello

This week we have:

- Learned to tell the time to 5minutes in Maths.
- Written Minpin diaries in English.
- Watched the Year 6 performance.
- Had our final swimming session.

With the final week of term in sight we have continued to work hard in year 3. At this week's swimming sessions I was really pleased to see all the good work the class had done at swimming payoff with the children really improving on previous swimming badges and showing good progress.

Reports have been sent out today. Please return the slip next week and if you have any questions about your child report feel free to ask Mr Brown.

Please can pupils bring in a carrier bag next week because we will be sending home various works from this year and emptying trays ready for the end of the year. Please also ensure that reading records are in school because we will be collecting these in ready to send up to Year 4 on Wednesday.

Finally the class will be going on a short Picnic in the village next week as a treat/celebration of this Year. I will send out a short note about this next week.

Enjoy the weekend
