

Theme: 'Go For It'

Next week: 'Last week!'

This week I have been

- Having my daily phonics lesson - reading and writing with letters, digraphs and trigraphs from phases 3 and 4 of Letters and Sounds
- Measuring with non-standard units
- Measuring with a measuring string
- Weighing using non-standard units
- Watching the Year 6 performance
- Beginning to learn about warm and cool colours in art
- On the field for a fun afternoon on Friday
- Reading with class 5
- To class 1 for an afternoon
- Listening to books - 'Mama Panya's Pancakes'; 'Houses then and now'; 'Slinky Malinki' and 'Wake Up Bear'

In practise time I have been able to choose

- Class Library
- IWB - selection of music
- Creative table
- Role play - house inside, opticians shop and mud kitchen outside
- Outdoor play - balancing
- Maths - ways to make 10
- Clever fingers activities - Honey Bear
- Mark making table
- Book corner - books Mrs Garlinge has read have been popular
- Discovery table - 'Can you make the light bulb light up?'
- Construction area
- Small world toys
- Music area

You can help me by

- Encouraging me to create a picture using warm colours (red, orange, yellow) or cool colours (blue, green, purple)
- Challenging me to think of/write down different ways to make 10. I can use my fingers or 10 objects to help me.
- Giving me a 1m length of string to measure things with. What is longer/taller? what is shorter and what is the same length?
