Please remember to learn your spellings each week. If you lose this sheet, please let us know immediately so that we can give you a new one. Below are some suggestions to help you learn your spellings in a fun and engaging way.

- 1) Type the words onto a computer, ipad or tablet using different font styles and colours.
- 2) Draw pictures with the spelling words hidden in them.
- 3) Secret Agent Words: Number the alphabet from 1-26. For example, a = 1, b = 2, c = 3 etc. Then convert the spelling words into a number code. Write the actual spelling words next to the code word.
- 4) Make a word search using your spelling words. A suggested website is www.puzzlemaker.com
