

Hello!

This week in Class 1 we have ...

- Rewritten a familiar story in order with some punctuation.
- Learnt our number bonds to 10 AND compared number bonds.
- Discussed the importance of friendship and created our own friendship bracelets.
- Created our own poster on the computer AND created a textured night sky painting in art.

Next week we will be...

- Retelling a familiar story in order (storyboard and sentences) AND reading a piece of writing aloud in English.
- Learning all about basic subtraction: crossing out, fact families, counting back and finding the difference in maths.
- Understanding the difference between carnivores, herbivores and omnivores in Science.
- Retelling a well-known Christian story in sentences in R.E.
- Designing our own 'muddled up' animal in Art.

Homework _____ This week's homework is all about number bonds to 10 and comparing number bonds using $<$, $>$ and $=$. The children have been FANTASTIC with their number bonds this week so should be able to complete this homework independently. Spellings are in reading books as usual.

Buster's book club _____ This week in Class 1 we had 14 children who met the reading target, 14 children who exceeded the reading target and totalled 157 additional minutes of reading. Our STAR READER this week is Albert 😊.

Friday 20th October 2017

On Friday afternoon Class 1 will be having 'treat time'. We will be playing party games and having lots of FUN. We are very proud of how well your child has settled in to Year 1 and how hard they have worked throughout the term, so decided they deserve a little end of term celebration! 😊

_____ Have a great weekend!

Miss Crayford
