You can help me

- Play 'I Spy' but this time 'robot talk' the answer so 'I spy a c - a - t' 'It's a cat!'
- Try this with some grapes. If you have 5 grapes and eat 1, how many would you have left?' and 'If you have 4 grapes and I give you 1 more how many would you have then?'
- Go for an autumn walk collecting 'treasures'. Ask 'what do you like about that ...leaf/conker/pine cone etc'
