

Welcome back after half term.

This week we have:

- Recapped expanded column method and began to use it for subtraction.
- Completed a PSHE week where we have learnt about healthy eating, routines and dental care.
- Read the book; 'Stone Age Boy' and explored some of its vocabulary.
- Used a thesaurus to find synonyms.

This week's Buster's Book Club Star Reader is Isaak for continued home reading. Remember the book mark at the front of the reading record must be signed by an adult for it to be counted on Thursday morning.

Next week we will begin our work on the Stone Age in History. We will be writing some Stone Age stories in English with a focus on spelling and editing in our writing. In maths we will be subtracting in a range of ways including with maths manipulatives and column methods. Next week is also Book Week and the Book fair will be open after school on the playground.

The homework for this week's includes adding 2 and 3 digit numbers using expanded column method and finding out some Stone Age facts. Spellings are all homophones which are words which sound the same but their meanings and spelling is different.

Enjoy the weekend.
