

Hello!

Welcome back

Goodbye Christmas holidays and hello Term 3! We hope you all had a lovely, relaxing and fun-filled break. This term our topic entitled 'what's it made of' has a SCIENCE focus😊. During the term we will be...

Reading traditional tales

Retelling traditional tales

Writing instructions

Creating our own narrative

Adding and subtracting (within 20)

Comparing objects and numbers (to 50)

Learning our 2, 5 and 10 x tables

Typing, editing and saving text on a computer

Identifying, describing and sorting different materials

Retelling well-known Christian stories

Creating tunes using different materials

Creating our own three little pig houses

Mastering basic movements and working on our gymnastic skills

This week in Class 1 we have...

- Written a recount of our Christmas holidays and practised spelling different common exception words in English.
- Recapped on our addition and subtraction fact families in maths.
- Identified and named different materials in science.
- Identified 'safe' people in our community in PSHE.

Next week we will be...

- Retelling a familiar story in English.
- Adding by counting on, finding and making number bonds to 20 and adding by making 10 in maths.
- Practising typing words and using different symbols on a keyboard in ICT.
- Discussing how to keep safe around household equipment in PSHE.
- Creating houses using different materials in D.T.
- Identifying what different objects are made of in science.

Homework

This week's homework is all about addition and subtraction fact families. We are revisiting them again as we need a little more practise with these😊.

Miss Crayford
