Hello Penguin Parents!

This week in Class 1 we have...

- Subtracted numbers within 20 (not crossing and crossing 10).
- Retold a familiar story in order.
- Saved and opened files in ICT.
- Describe properties of everyday materials.
- Retold the creation story in order.
- Considered the dangers we might find outside and how to keep safe around them.
- Explored instruments made of different materials.

Here are some examples of the SUPER stories we created this week:

Wednesday 17th January 2018
Once upon a time there was a
prince. He wanted to find a true
princess but he caldn't. He was
sad. The night there was a
storm. There was a sharp rap
at the door. It was a princess.
The queen opened the door he queen
was shocked The queen made a
bed for the princess. With twenty
mattresses and quitte. And then the
queen put a pea undernesth. That
night the princess their the peart h
the morning the appen asked the
princess is she had a nice sleep.
The princess said no. They knew she
was a true prince ss. Then they were
all happy. The prince and the
princes were macried. The nd.
The pea was put in the poyal

Next week we will be ...

- Describe characters from a familiar story AND use exclamation marks correctly in English.
- Compare number sentences within 20 AND find missing numbers in addition and subtraction number sentences in maths.
- Identify our own special places and people that keep us safe in PSHE.
- Recreate a well-known tune using instruments made of different materials in music.
- Retell a familiar story through drama in R.E.
- Edit our typed text in ICT.
- Identify which materials have certain properties (with fun experiments!) in science.

Homework

We have covered different methods of subtracting this week so this week's homework is all about subtracting within 20 (not crossing and crossing 10).

Miss Crayford
