

This week we have:

- Measured in cm and mm
- Added and subtracted lengths.
- Learnt about Islam in RE.
- Played Futsal in PE.
- Began to look at our Focus Book- Egyptian Cinderella, in English.

The class had a taster session of Futsal in PE this week, next week we will be back to normal PE so please ensure your child has their PE kit in school. Trainers can be worn on the occasions that we go outside. We will also be beginning our mid-afternoon run next week.

This week we had 15 readers for Buster's Book Club which is excellent. Two children were awarded medal badges. Don't forget that Buster's Book Club is recorded on a Thursday morning; a signature is required on the Buster's Book Club book mark for it to be counted.

Next Thursday is World Book Day. During the day we will be having a costume parade, and reading with our Buddy Class- Year 6. We will also be having a book swap on the day where children can bring in a book to share with a friend or schoolmate so please bring any books in. We will also begin learning about Ancient Egypt in History next week as part of our Topic work for this term.

This week's homework has been sent out. For English they children are asked to find out some facts about modern day Egypt. For Maths they need to use the < less than and > greater than symbols to compare measurements and the spellings include words with the 'ture' sound and some common exception words.

Have a good weekend.

The Year 3 Teaching Team
