

This week has been Science Week across the school. We have enjoyed demonstrations and talks from Dr Bratt, Andrew Berry, Reverend John Huggins and Mrs Still. Thank you to all of our visitors for giving up their time to come into school and share their love of science with the children.

This week the children have;

- Recognised decimals place value up to 3 decimal places
- Completed tasks in English focusing on Reading as a Reader - interrogating texts for grammatical features and answering comprehension questions about the text.
- Investigating air resistance linked to Science week and our chosen Superhero 'SuperSpiderMan'

So next week we shall be;

- Beginning to find the links between fractions, decimals and percentages
- 'Boxing up' our idea for a new story based on 'Kidnapped'
- Investigating water resistance
- Enjoying another ukulele session with Mr Harding

Science Week Investigations

Thank you to all of those budding scientists who have completed an investigation as part of our science week activities. These will be judged and prizes will be awarded in Celebration Assembly on Monday.

Fingers crossed for everyone who took part.

Book Look

Term 4's Book Look takes place on **Thursday 22nd March** from 2.30pm. Please enter the school via the main office.

Homework

This week the focus is on SPaG. The children have been set an activity on SPaG.com linked to the SPaG lesson completed this week. The children should have their log-ins stuck into their Reading Record but if they have misplaced them please let us know so we can provide them with a replacement. This homework should be completed by **Friday 23rd March**.

Spellings

Next week will be testing those spellings listed as 'To be tested 23.03.18' on the spelling sheets. These sheets are available in the Class section of the website. These spellings will be tested in school on **Friday 23rd March**.

Times tables

Please remember to use Times Table Rockstars as a way to improve and maintain accuracy of recall in times tables. Times Tables will be tested on **Thursday 22nd March**.

If obtaining access to the internet is a problem the children are welcome to complete their homework at school - we would ask them to check with an adult when the most convenient time would be to use the IT suite.

Have a lovely weekend,

Mrs Culver and The Year 5 Teaching Team
