

Hello ☺

### This week we have...

- Completed reading, maths and SPAG assessments.
- Retold a familiar story (Lila and the secret of rain) in sentences.
- Measured and compared the capacity of different containers.
- Used clay and modelling tools to create our own Tanzanian masks.

### Next week we will be...

- Comparing and measuring lengths and heights in maths.
- Acting out a familiar story and retelling it in order in English.
- Locating the hot and cold areas of the world in Geography.
- Painting our Tanzanian clay masks in art.
- Mastering basic movements through team games in P.E.
- Considering why Jesus is so important to Christians in R.E.

### Buster's book club

This week in Class 1 we had 8 children who met the reading target, 8 children who exceeded the reading target and totalled 106 additional minutes of reading. Our STAR READER this week is ALBERT.

**Please make sure you fill in the book mark at the front of reading records every Wednesday night. We are a little sad that we only had 8 people on our book list this week☹.**

### Homework

This week's homework is all about measuring the capacity/volume of different containers☺.

### Work of the week

This week we have created some BRILLIANT clay masks:

Created by: Taylor, Amelia, Madeline and Flynn

### Term 5

Next term we will be learning about 'The Queens'. If anyone has any Queen books, postcards, related toys/statues or anything remotely linked to the Queen, please bring them in so we can share them with the class. If you are happy to let us put them out on our display table for the term, that would be great too! Thank you☺

Have a lovely weekend!

Miss Crayford
