I live in a pretty purple palace in London. In my palace I have a kitchen. My kitchen has a smooth grey fridge and a huge dining table. In my palace I also have a living room. In my living room I have a gold sofa, a shiny picture and two shiny picture frames. Also in my palace I have a bedroom. In my bedroom I have a huge brown wardrobe and a really soft golden bed and bed cover.

SP sentences make sense

I live in a huge golden palace in London. In my palace I have a sitting room. In my sitting room I have a small smooth lamp, a huge comfy sofa and a hard red television. I also have a beautiful bathroom. In my bathroom I have a golden bath with jewels on it, a diamond covered toilet and a silver shiny mirror. And I also have a lovely bedroom. In my bedroom I have a hard lampshade, a glowy mirror, a comfy bed, a shaggy white carpet and a bumpy green wardrobe. I also have a wooden office.
