

Dear Parents,

It was lovely to see so many of you at parents evening! Thank you for coming, I hope you found it useful. I enjoyed sharing the children's SATs results with you. They have really worked hard this term, and they have been a credit to you all.

This week we have continued to tell the time to 5 minutes. Please keep this up at home! They are getting confused in that 2.55 and 5 to 3 are the same thing! Hopefully I will have time to revisit this towards the end of the summer term and see how they are getting along with it.

In English we have told and re-told the story of Little Red Riding Hood. The traditional tales topic will be continuing after half term, so keep reading a wide range of these stories at home.

In PE this week with Ms Cavanagh (from The Lenham School), we (attempted to) make dens! Let's just say the class had a ball, but too many cooks spoiling the broth certainly sprung to mind!! We decided to call this lesson a 'practise'! So in the first week back I have devoted a whole afternoon to planning, making and evaluating a den! Consider practising your skills over the holiday as your homework!

Our next topic is Learning Around Lenham. This will include looking at maps, learning about ordinance survey symbols and trying to follow directions. I am in the process of booking a trip to Otterden Estate on the 9th of July (details to follow), and we will have a walk around Lenham too, looking at signs and symbols.

Have a super half term, come back well rested!

Mrs Martin
