

A warm welcome to Term 6, it seems almost unbelievable that we are nearly at the end of another year! This week the children have:

- Started a new unit in maths looking at position and direction.
- Continued to read and examine the text map of Macbeth.
- Completed the class art work that will decorate the Tithe Barn at the concert this weekend.
- Read carefully and shown an understanding of words, phrases and simple writing in French in the context of talking about age.

Next week we shall be:

- Translating shapes
- Answering the question - Who was to blame for King Duncan's death?
- Developing our 'chipping' technique in Tri-Golf

PESE Transfer

Just a reminder for anyone wishing to register their children for the 11+ assessment for September, applications opened on the **June 1st** and they will close on **July 2nd**. Applications can be made on line using the following address <https://kent.cloud.servelec-synergy.com/ParentPortal/default.aspx>

Year 6 Residential

A meeting about the Year 6 residential will be held on **Friday 6th July from 1.00pm in Year 5** (this is directly after the family picnic at Sports Day). We hope to see all of you there.

World Cup Wall Chart

Does anybody have a spare World Cup Wall Chart that we could use in Year 5 to track the results. If so we would be very grateful to have it donated to us.

Paperless Day

One of the planned activities for our Paperless Day this term will require the children to use a potato peeler and a teaspoon. If you are able to supply the children with one from home this would be a great help - thank you for your support.

INSET DAY

Please remember that there is an INSET Day planned for this term. The school will be closed on **Friday 29th June**.

Sports Week

We will be celebrating Sports Week this term from **Monday 2nd July** with a range of activities culminating in our Sports day which will be held on **Friday 6th July**.

Homework

This week the children have been assigned an activity on **Spag.com**. This activity is directly linked to the punctuation and grammar terminology we have been focusing on in lessons throughout the year. Homework should be completed by **Friday 22nd June**.

Spellings

New spelling sheets have been sent home this week. The new groups are named after aspects of this term's topic (Dissolving, Evaporating, Solid, Liquid and Gas). Next week we will be testing those spellings listed as 'TERM 6: To be tested 15.06.18' on the spelling sheets. These sheets are available in the Class section of the website. These spellings will be tested in school on **Friday 22nd June**.

Times tables

Please remember to use Times Table Rockstars as a way to improve and maintain accuracy of recall in times tables. Times Tables will be tested on **Thursday 21st June**.

If obtaining access to the internet is a problem the children are welcome to complete their homework at school - we would ask them to check with an adult when the most convenient time would be to use the IT suite.

Have a lovely weekend

Mrs Culver and The Year 5 Teaching Team
