

This week the children have:

- Planned and written a persuasive letter from Duncan to the crayons.
- Learned about personal and possessive pronouns.
- Reinforced their learning of quadrilaterals in Maths.
- Identified lines of symmetry and completed symmetrical patterns.
- Investigated how to change the pitch of an instrument in Science.
- Had their first transition afternoon in Year 5!

Change4Life:

Today the children had an active packed morning at The Lenham School taking part in races and skipping as well as fruit kebab making and using an app on the iPad to scan food packaging in order to find out its sugar content. Their behaviour was exemplary and they all seemed to enjoy the morning. Well done Class 4!

Buster's Book Club:

This week, 14 children read for Buster's Book Club. Well done Jace and Eden who are this week's winners!

Please can you support your child to complete their reading and remember to bring in their signed bookmarks.

Sports Week:

Next week we will be celebrating Sports Week and the children will need their PE kit in every day that week please. On Monday the children will be completing a long distance run in the morning and Sports Day practice in the afternoon. On Tuesday, Wednesday and Thursday each morning we will complete a daily mile and of course Sports Day will be on Friday 6th July.

Homework:

As it is Sports Week next week, we thought it would be nice for the children to complete an 'Active Week Homework Challenge' sheet. For each day, Monday to Thursday, there are suggested activities but these are only suggestions. The children can of course complete 'active' activities of their own choice instead and write these into the boxes on the sheet. Sheets need to be returned to school by next Friday 6th July.

INSET DAY:

A reminder that tomorrow is an INSET day (Friday 29th June) and therefore school will be closed on this day.

Have a lovely weekend!

Mrs Fisher and the Year 4 Team
