

This week the children have;

- Completed assessments in spellings and reading.
- Converted metric units to imperial units.
- Created delicious scones, jam and pasta salad as part of the joint Year 4 and 5 cooking day.

Next week we shall be;

- Estimating and comparing volume and capacity
- Completing End of year assessments in Arithmetic and Reasoning
- Watching the dress rehearsal of the KS2 production 'Alice the Musical'
- Enjoying our well-deserved trip to Hollywood Bowl

Year 6 Residential

Thank you to all of you who attended the Year 6 residential meeting. The deadline for the return of completed consent and medical forms was **Friday 13th July**. We are unable to allow children to take children with us without obtaining consent. Please contact the office if you have been unable to complete the forms on time so that we can provide Kingswood with accurate numbers of children attending the residential.

Year 6 Leavers' Hoodies

We have heard from a few parents that personally the Leavers' Hoodies was not proving straightforward as there did not appear to be any way of submitting that information on the website. Mrs Horlock (who kindly co-ordinates the sourcing of school hoodies) has contacted the company and they have informed us that they are able to personalise them for a further fee of £2.95 per hoodie. In order to access this service please add a comment on your order form explaining that you would like it to be personalised and the company will contact you to confirm details and take the extra payment. Don't forget the deadline for ordering is **July 31st**. We apologise for any inconvenience this may cause.

DT Week - Seasonal Food

This week the children have enjoyed making and eating seasonal goodies. Thank you to Mrs Killick for sourcing all the ingredients and taking on the challenge of cooking with 30 children - you are braver than me Mrs Killick.

Class Reward

Each term the class have the ability to earn a whole class reward. This term The Year 5 Teaching Team would like to treat the class! On **Monday 23rd July** the class will have the opportunity to 'camp out'. We would encourage the children to bring in a pop-up tent, if they have one, and camp on the field where they can enjoy games with their friends whilst The Year 5 Teaching Team cook tasty treats over the 'campfire'. They can invite friends over to their tent to join in a game or two. If the children would like to get involved they are welcome to bring in

- A pop-up tent
- Blanket/picnic blanket
- Board games to play with friends

Homework

We have come to the end of a very busy year and The Year 5 Teaching Team would like to thank the children for all their hard work in completing their homework, learning their spellings and being fabulous TimesTable Rockstars. We have seen some fantastic pieces of homework and they have been proudly displayed on our Wonder Wall. It will be sad to see the board striped at the end of the year but, if the quality of the Year 5 Wall is anything to go by, we know that next year the Year 6 Wonder Wall will showcase some fantastic work.

Have a lovely weekend

Mrs Culver and The Year 5 Teaching Team
