

14.09.2018

This week we have:

- Written letters based on event in our class book The Tunnel.
- Improved our basketball and hockey skills.
- Represented 3 digit numbers and found more and less.
- Used atlases to find cities and counties in the UK.
- Created pointillist style landscape paintings of UK landmarks.

Thank you to those who came to the Year 3 Meet the Teacher meeting. If you were unable to attend, the information slides from the meeting can be found on our class page, on the school website.

Homework has been sent out for this week. There is a short English and Maths task to complete and spellings to learn. Please return the homework by Wednesday 19th. Spellings will be tested on Thursdays.

Buster's Book Club has begun. Reading can be recorded on the Book marks that have been stapled into reading records. Buster's Book Club results are recorded on a Thursday morning each week.

Have a great weekend.
