

This week we have:

- Written our own versions of the tunnel.
- Compared and ordered numbers.
- Identified and located the mountains of the UK.
- Created our own abstract cut-up art.
- Explored how the lives of people in the UK have changed over time.
- Had our first House meeting of the year to elect House Captains (results will be announced next week).

Don't forget that Buster's Book Club is on Wednesdays, reading can be recorded on the bookmark in your child's reading record. This will be counted on a Thursday morning.

Next Wednesday we will be having an author visit the school. Grant Koper will be visiting, to read one of his books to Years 1,2 and 3. There will also be an opportunity for the class to ask him questions.

Curriculum plans for Year 3 can now be found on the Class page of the school website. These will tell you all the areas we will cover in Maths and English throughout the year.

This week's homework has been sent out. Activities include; comparing numbers using $>$, $<$ or $=$, researching an animal of your choice and learning some spellings with the 'l' sound spelt with a 'y'. Spelling tests will usually take place on Thursdays (this week it was Friday due to a slight change to our spelling sessions).

Enjoy the weekend.
