

This week in Year 4 we have:

- Drafted and written our own setting descriptions for the Chocolate Room from Charlie and the Chocolate Factory, using prepositional phrases, adjectives and similes.
- Begun to identify and use fronted adverbial phrases in our grammar lesson.
- Continued with place value by partitioning numbers in different ways, using blank number lines up to 10,000 and comparing 4-digit numbers.
- Tasted and evaluated different types of chocolate (probably the favourite lesson of the week!)
- Begun to plan the ingredients of our own chocolate bars.
- Voted for our new House Captains.

Buster Book:

Well done to the 20 children who completed the Buster Book Challenge this week. What a fantastic improvement on last week's score. Well done to Freddie B and Elayna for being awarded our class Star Readers of the Week!

Homework:

This week's homework is a Maths activity set on the Active Learn website: www.activelearnprimary.co.uk.

The children have been issued with a sticker in their reading record books which details their username and password. The activity is called Hailstone Hullabaloo and is an interactive game where the children will need to round 4-digit numbers to the nearest 10 and 100. The children need to work their way through Bronze, Silver and Gold levels. The game is tablet and pc friendly but if your child experiences difficulty accessing the website, I will offer Wednesday lunchtime as a homework club. Homework needs to be completed by Thursday 27th September.

Next week:

Just a quick reminder that Individual Photos will be taking place in school on Tuesday 25th September.

Have a lovely weekend.

The Year 4 Team
