

Year 5 Weekly News

This week the children have:

- Used formal written methods for adding and subtracting
- Read and written poetry, using similes, metaphors and alliteration
- Found out where and why volcanoes and earthquakes happen
- Continue to use sentences to describe ourselves and our hobbies in French
- Had individual photographs taken

Next week we shall:

- Tackling multi-step problems using addition and subtraction
- Plan an extended piece of writing, write, edit and improve it
- Create our own map using Digimaps
- Think about human settlement and natural resources

Harvest Assembly

On Monday Rev. Huggins will be leading a Harvest Assembly where we will think about our food and where it comes from.

Maths and English Curriculum Coverage

The Maths and English curriculum that your children will be covering throughout the year is available for you to see on the school website. Look on the Year 5 page and it is there along with the Curriculum Plan which shows our topics for the year. The Maths and English will help you know exactly what the class are covering and what they will progress to next. We hope this will be useful for you.

Wonder Wall

In class we have our Wonder Wall. This is a fantastic place to celebrate the things children do at home. They are encouraged to bring pictures/posters/writing/maths/maps they have made for display. Also, photos of extra-curricular activities they do and certificates they have been awarded which we can share and celebrate together. Thank you to those children who have contributed this week.

Compost Heap

Don't forget to bring in peelings for the Class 5 compost heap (no cooked food or meat please). Thank you to those who have already contributed this week.

Homework

This week homework will be an English task set on spag.com. This will reinforce work they have covered in class this week on Speech Punctuation. The children have their log-ins in their Reading Record books.

Don't forget:

- Spellings - Please continue to work on these, tests will be on Fridays.
- Times tables - use Times Table Rockstars as a way to improve accuracy, tests on Fridays.
- Homework Club Monday lunchtimes - for those who might find it helpful.
- Buster's Book Club - target time for Year 5 is 20 mins every Wednesday. Don't forget to sign the bookmark.

Have a lovely weekend

The Year 5 Teaching Team
