

Hello!

This week we have...

- Described the setting of a familiar story.
- Used a part whole model, the + symbol and created addition fact families.
- Created our own rainbow fish sun catchers!
- Identified and sorted different animals into groups.
- Discussed the importance of memories and feelings.
- Retold a Christian story in order using pictures.

Next week we will be...

- Creating our own text map to retell a familiar story in English.
- Exploring number bonds within/to 10 in maths.
- Creating our own night sky pictures in art.
- Sorting animals into groups (carnivores, herbivores and omnivores) in science.
- Using our new paint skills to create an animal poster in ICT.
- Celebrating our achievements in PSHE.
- Retelling a Christian story in order in R.E.
- Exploring expressive use of sounds in music.
- Throwing (overarm) and catching in P.E.

Homework

Homework this week is all about part whole models! We were very good at filling in the missing numbers on the part whole models this week, so should speed through the homework independently!

Buster's book club

This week in Class 1 we had 13 children who met the reading target, 11 children who exceeded the reading target and totalled 115 additional minutes of reading.

Please remember to fill in the bookmark in the front of your child's reading record every Wednesday night!

Have a lovely weekend!

Miss Crayford
