

★ Hello!

★ **This week we have...**

- Created our own text map to retell a familiar story.
- Explored number bonds within/to 10.
- Created our own night sky pictures.
- Sorted animals into groups (carnivores, herbivores and omnivores).
- Used our new paint skills to create an animal poster on the computer.
- Celebrated our achievements.
- Retold a Christian story in order.
- Explored expressive use of sounds.

★ **Next week we will be...**

- Subtracting numbers in maths.
- Retelling a familiar story using some punctuation in English.
- Creating our own class pet pictogram in Science.
- Opening our saved work and editing/improving it in ICT.
- Retelling a Christian story in order (comic strip) in R.E.
- Using sounds expressively to illustrate a story in music.
- Creating our own fluffy mixed media owls in art.

★ **Homework**

★ Homework this week is all about number bonds to 10 and adding numbers (within 20).

★ **Buster's book club**

★ This week in Class 1 we had 17 children who met the reading target, 13 children who exceeded the reading target and totalled 172 additional minutes of reading.

★ **Newspaper plea!**

★ Every week we use newspaper to cover the tables for our art lesson BUT we are running out!
★ The newspaper box is VERY low! Please could you help by sending in any old newspapers to class 1 ASAP- thank you!

★ Have a lovely weekend!

★ Miss Crayford
