

This week we have:

- Added and subtracted tens and 3 digit numbers.
- Used a range of suffixes.
- Looked at the founding of Judaism and the Ten Commandments .
- Written our own Kennings about some British wildlife.
- Played basketball and Hockey in PE.

The Individual photos have been sent out this afternoon. Apologies for the delay, the return slip says that they need to be returned by the 12th of October however this has been extended to Monday the 15th due to the delay. If you would like the photos please return the slip by the 12th or you can pay online straight away. If you have any issues then please let the school office know.

This term's Book Look will take place on Tuesday the 16th October. There are some new arrangements for Book Looks this year and further information about this has been sent out today via email.

The children from Year 3 who attended the basketball competition on Tuesday did extremely well and represented the school brilliantly as did the children from other year groups. Their behaviour and hard work shone through and they all really enjoyed themselves. Miss Cavannagh will hopefully be bringing in some certificates next week.

The homework has been sent out today (Friday). There will not be any homework over the half term. Spellings this week include words with alternative 'a' sounds such as 'ey' and 'eigh'. The Maths is about odd and even numbers. The English involves writing a short poem called a Kenning about an animal.

Enjoy the weekend

The Year 3 Teaching team.
