Dear all,

Please can you pass on my thanks and congratulations to both staff and children that attended yesterday's basketball tournament. It was great to see so many young people being active and proudly representing their school. The sportsmanship I saw was outstanding with children listening carefully to the referees. It was particularly encouraging to see a lot of new faces competing, not all of the "sporty children" that attend every event, the smiles on their faces when their team scored a goal was well worth the late finish!

Kind regards,

Amy Cavanagh, The Lenham School
