

This week we have:

- Written spooky stories.
- Found word families.
- Use column method to add numbers.
- Learnt about Jewish festivals.
- Made water cycle diagrams.

Next Term our topic will be 'Skin Deep'. For this topic we will be learning about nutrition, healthy eating, skeletons and muscles. For English our class book will be the Mouse Hole Cat and in Maths we will be continuing our addition and subtraction work.

No homework has been set for the half term break. However I encourage you to continue home reading and Times Table Rock stars with your children. The class are really enjoying Times Table Rock Stars and we will be having a particular focus on the 3s and 4s next term.

Unfortunately swimming details are yet to be confirmed. A letter was sent out about the situation this week and details will hopefully be confirmed today.

Enjoy the half term.

The Year 3 Teaching Team
