

This week we have:

- Written up our fantastic storm descriptions.
- Practiced column subtraction and addition.
- Written newspaper articles about the events in Mousehole based on our class book the Mousehole Cat.
- Played bench ball and dodge ball in PE.
- Continued out science work about nutrition and diet.

Apologies for the mishap with last week's homework. This week's homework involves using column subtraction. This is a tricky method and requires a lot of practice but the class have shown a good understanding of this in class this week and hopefully they will apply this to their homework. The spellings are all homophones and the English involves using these homophone spelling words in some sentences to help improve the understanding of these words.

As part of our 'Skin Deep' topic we will be making fruit kebabs in class next week.

Next Friday (16<sup>th</sup> November) is children in Need Day. We will be raising money in school by having a funky hair and non-school uniform day, if you would like to take part please bring in a £1 donation. There will also be a cake sale after school on Friday.
