

This week in Year 4 the children have:

- Planned and written their own *Greek Myth* based on the story of King Midas.
- Visited the library.
- Researched the *Ancient Greek Olympics* and produced an information page on their findings.
- Learned the rules of multiplying and dividing by 10 and 100; multiplied by 1, 0 and 6.
- Used clay to make a *Greek pot*.
- Visited The Lenham School to try out trampolining and badminton!

**Homework:**

This week in our grammar lesson, we have learned about 'determiners'. For their homework this week, the children have been set a grammar exercise to reinforce this learning. This has been sent home in their homework folders and should be completed by Thursday 22<sup>nd</sup> November.

As usual, the children also need to read for 20 minutes, ideally every night, and practise their spelling words and times table facts please.

**Library Visit:**

Our next library visit will be on Tuesday 11<sup>th</sup> December. The stamped date for returned books is 4<sup>th</sup> December so the library will automatically renew any books borrowed so they can be returned on 11<sup>th</sup>.

Have a great weekend.

The Year 4 Team
