

MY WEEK IN RAINBOW CLASS

w/c 12.11.18

Theme: The story book: 'Kipper's Birthday'

Next week: Shine like a star! (Our talents)

This week I have been

- learning to hear and recognise the phonemes g,o,c,k
- practising the correct formation of the letters g,o,c,k-remembering to start each letter shape on the line and to make anti clockwise movements
- introduced to working with money
- thinking about we celebrate birthdays and other times and events that we might celebrate
- writing words listening to the initial sound and using a sound mat to draw the letter shape

In practise time I have been able to

Role play- party house inside & construction site outside

- explore the role play area and write invitations
- develop my imagination by creating decorating celebration cakes
- develop my gross motor skills by moulding play dough into cakes and adding match stick 'candles'
- match coins to their value and make coin rubbings

Outdoor play

- explore our construction site and new resources
- work with my friends to complete number puzzles
- use chalk to draw anticlockwise movements around large hoops
- practice riding the balance bikes
- enjoy painting on our new easels

At home you can help me to

- talk about coins, their values, size, shapes and colours
- label 3 or 4 items with prices up to 10p and then play 'shops' with me, buying an item and giving change. (Working with pennies)
- match, read and maybe write simple words using the phonemes we have learnt this week by completing the sheet in my Busy Book
- practice drawing circles using an anticlockwise movement

- find a photo of a family celebration and perhaps copy it to stick in my Busy Book. What was being celebrated?

Next Week I will be

- learning the phonemes-ck/e/u/r
- thinking about our talents and celebrating our different skills and interests
- exploring the mathematical terms 'more' and 'fewer'

Information: Please kindly return the slip as soon as possible with your preferred email address for Tapestry. As soon as we have collected all of them- we can go live! Thank you if you have already done so.

Just to make you aware, free milk is only offered every day to those children still 4 years old. If you would like your child to continue having a small carton of milk at school morning break time when they become 5, I am afraid that there is a small charge. If you would like to do this, then please visit www.coolmilk.com to sign up. Of course, if we have any spare cartons on any day after giving them out to our younger class members, then we give them freely to anyone who would like one! This ensures that there is no waste!

Thank you Have a lovely weekend. Rainbow Class Team
