

Hello!

This week we have...

- Added by making 10, compared addition number sentences and subtracted (not crossing 10).
- Answered questions about a familiar story, created our own text map and retold a familiar story in sentences.
- Created instructions using pictures.
- Identified and named different materials.
- Retold the Christian creation story in pictures.
- Understood how to keep safe around household equipment in PSHE.
- Explored different types of houses and identified their shapes and features.
- Observed, copied and improved balances.

Next week we will be...

- Subtracting using tens frames and part whole models AND comparing subtraction number sentences to 20 in maths.
- Creating our own instructions in English.
- Understanding why it is important to create accurate algorithms in ICT.
- Acting out a well-known Christian story in R.E.
- Considering the dangers we might find outside and how to keep safe around them in PSHE.
- Investigating how to join and combine shapes to make a house in D.T.

Homework

This week's maths homework is all about subtracting using a number line.

Buster's Book Club

This week in Class 1 we had 7 children who met the reading target, 6 children who exceeded the reading target and totalled 73 additional minutes of reading.

Please continue to fill in the bookmarks in the front of reading records every Wednesday night.

Have a good weekend!

Miss Crayford
