Information:

The children really enjoyed all the Book Week events and also had lots of fun flipping pancakes!

We have another very busy week ahead with Science Week.

There are several visitors popping in to carry out investigations early in the week and an opportunity to learn about, and get close to birds of prey on Thursday.

The week will conclude with an exhibition of the science challenges carried out at home by each class across the whole school.

We look forward to seeing the mini beast learning from Rainbow Class!

Reminder- 'Muddled Up' Day for Red Nose Day fundraising on **Friday 15th March**. Perhaps come to school wearing your clothes back to front or odd socks!

-Rainbow Class assembly at **2.30pm on Friday 22nd March**

Finally- Your child came home today with their Midyear report. We hope you enjoy reading about all their achievements. If you have any queries, do let us know.
