Things we could do better

- Nothing
- Consistency could be better
- Another rain shelter for the playground- it's tricky to all fit under when waiting for school to start in the morning
- Homework- more for juniors
- Communication (x2)
- The reports we receive on their progress are very confusing- a breakdown of them would be better in layman's terms.
- Communication – can we ensure everything sent home is done electronically or paper to ensure continuity. It's hard to manage both.
- School dinners that are inclusive allowing children with allergies/ intolerances to have choices.
- Not to implement a collective class punishment resulting from a single child's behaviour then assigning that child the blame for the resulting punishment. This really negatively impacts confidence friendships. Better to reward when all do this. A change of language to drive and reinforce positive outcomes not negative. Reflect more on "what survival looks like in school"
- Lunchtime supervision
- We struggle with the Internet maybe time set aside to print off homework at lunchtime
- Would like Forest school sessions throughout the year group.
- Monthly direct debit option to school to cover any extras as time is limited to help with fund raising
- School should inform parents with pupil gets interventions before and while it takes place, not after.
- Notification of important dates – more time needed.

- Managing strong personalities in the playground
- Understanding root causes of disagreements in the playground
- After school or extra-curricular activities
