

This week in Year 6:

English

- We studied 'Freefall' and made our own dream-inspired artwork.
- We wrote flashback stories using 'Freefall' as inspiration.

Maths

- We started our topic 'Geometry'.
- We found the area of squares, rectangles, triangles and parallelograms.
- We revised finding the perimeter of shapes.

SPAG

- We completed an assessment using spag.com.
- We revised subordinate clauses and word classes.

Next week:

- We will be conducting experiments as part of 'Science week'.
- We will be visited by several scientists.
- We will be learning about the lives of Marie Curie and Charles Darwin.

Homework

There is a worksheet about the area of compound shapes.

There is a worksheet revising word classes.

Children should either:

- spend 40 minutes on Maths Whizz in 'Tutor'.
- complete a test on spag.com.
