Homework

This week's homework has been sent out today. It is a maths task based on work we have done this week. The children all have their own homework folders. Each time there is paper-based homework it will be sent out in these folders which can be brought back to school with their completed homework inside. Please return homework by Thursday 19th September. There is also a list of spellings which will be tested next Friday. The spellings are all adverbs and we will be focussing on them next week.
