

Year 3 Weekly News

20th September

This week we have:

- Compared and ordered numbers to 1000.
- Written our own versions of The Tunnel.
- Used compass directions in PE.
- Looked at old maps to see how Lenham has changed over time.

Next week we shall be:

- Beginning to focus on addition and subtraction in Maths.
- Writing from the perspective of a different character.
- Locating British rivers and Mountains.
- Going to the church for a harvest service.

Homework

This week's homework will be on Maths Whizz. Children need to **log onto Maths Whizz and complete at least 30 minutes** for their homework. The class are currently set to focus on addition and subtraction when they log onto Maths Whizz so this homework will really help to prepare them for our future Maths lessons. Spellings have been sent home on a separate sheet. A big well done to everyone last week, every single class member completed their homework so the class earned themselves some golden time, keep up the good work Year 3!

Further information and Key Events

Reminders:

- **Volunteers:** If you would like to volunteer your time to walk with us to the Church on Thursday afternoon please could you let Mr Brown know, thank you.
- **Buster's Book Club** is every Wednesday, children need to read for at least 15 minutes and then a parent/guardian needs to sign the Buster's Book Club Book mark in their reading records. This week we had 11 read, let's see if we can increase that next week.
- **UKIAU** have launched a competition to name a planet! If you have any fantastic ideas for a name, please visit the link below for more information. You should give your name ideas to your teacher by the 11th October. Winning names will be announced mid-December and if we have a winner at the school, there are prizes to be won!
