

Year 4 Weekly News

20th September 2019

This week we have:

- Tested the effect of sugar on our teeth.
- Used and recognised negative numbers.
- Written a setting description about 'The Chocolate Room' from Charlie and the Chocolate Factory.
- Identified the different types of teeth, and learned why animal and human teeth are different.

Next week we shall be:

- Planning and writing a new chapter for Charlie and the Chocolate Factory.
- Moving to a new maths topic: the Four Operations, starting with adding and subtracting using the column method.
- Learning about the importance of the synagogue and the rabbi in Judaism.

Homework

There is a double sided worksheet checking understanding of the 4 and 9 times tables. This links to our sequencing work this week.

Children should aim to spend 20 minutes on Maths Whizz this week outside of lessons.

Homework club is available Monday lunchtime in Year 4 with Miss Parry.

UKIAU have launched a competition to name a planet! If you have any fantastic ideas for a name, please visit the link below for more information. You should give your name ideas to your teacher by the 11th October. Winning names will be announced mid-December and if we have a winner at the school, there are prizes to be won!

Further information and Key Events

The Harvest festival is on Thursday at 1.30. Please let us know as soon as possible if you are able to walk with year 4 to the church- we will need at least one more adult. Thank you in advance!

We are proud of a friendly environment that promotes the PRIDE values inspired by the Olympic legacy, where everyone takes pride and is proud of their achievements

Take PRIDE; Be Proud
