

# Year 5 Weekly News

24<sup>th</sup> January 2020

## This week the children have been:

- Investigating the Theories of Galileo and Aristotle in science
- Dividing 4-digit numbers and using remainders
- Using conjunctions in French
- Producing a double page spread report on Rendlesham Forest (see photos of Riley's and Connie's work below)
- Understanding what racism is in PSHE

## Next week the children will be:

- Continuing to make their presentation about Copernicus in ICT
- Starting the topic of fractions in maths
- Thinking about bullying in PSHE
- Learning about the values of Jesus and questioning if we can live by them in the 21<sup>st</sup> Century

## Homework

### Spellings

Spellings for the week have been set in class today and the children will have a chance to work on them in school and at home. They will be tested in school on Fridays.

### Homework

This week the homework is practising the use of brackets, dashes and commas to punctuate sentences. The children have an activity to complete on SPAG.com It is due to be completed by Friday 31<sup>st</sup> January.

### Reading

Remember, regular reading is so important. The children have been given a Book Bingo sheet which challenges them to read a range of texts in a variety of settings out of school. When they sign a challenge off, they should bring the sheet into school and they will be rewarded with house points!

### Bobby's Book Club

Target time for Year 5 is 20 mins every Wednesday. Don't forget to sign the bookmark.

## Further information and Key Events

### Bounce Beyond

On Tuesday 4th February, Bounce Beyond are coming in to do trampoline workshops with all year groups. Please make sure earrings are removed.

### World Book Day

Thursday 5th March is World Book Day. This year we are asking children to dress up as book characters.

### PE

This term PE lessons will be on Mondays and Fridays.

### Parent Voice

Next Parent voice is on 3<sup>rd</sup> February at 2pm.

### Class 5 assembly

This will be on 20<sup>th</sup> March.

Rendlesham forest (which is in Suffolk) is the most famous known place of alien sightings. There has all ready been one back in 1980. now thats a good story to tell...

Did you know the Statue <sup>of</sup> the soldiers saw in 1980 was turned into a statue in Rendlesham forest?

Believe  
I believe that the incident back in 1980 was true, because no other aircraft is triangular.

The incident in

# RENDSHAM FOREST

The incident  
Two men were on patrol by the back gate, and suddenly, saw bright lights in the forest. They went to ask for permission to investigate. Taking one man with them, they went into the forest. Suddenly, they saw a triangular-like, flying aircraft. The men (who were petrified) dashed away in gear and terror. The only sound the soldiers could hear was the gun animals in a frenzy.

What is a UFO?  
A UFO (an unidentified flying object) is a strange aircraft extra-terrestrial. (like aliens) travel in. People also believe to have seen one!

Eye witness Report:  
We were in Rendlesham forest, and as we trekked through the forest, an eerie feeling came upon us. Suddenly, we saw a black figure move in the mysterious shadows, by the camera. I went to go check it out, and I could hear this extremely weird, chanting rd noise. In the distance, we could just make out red and white dot lights. Silently, we left, stunned by what we had just saw.

Introduction  
Rendlesham forest, which is home to army bases is known to be visited by extra-terrestrials (aliens) on more than one occasion the most famous was December 1980.

What happened in Rendlesham forest?  
In December 1980 about 3am two men went out to investigate a suspicious noise they went deeper into the forest there were two lights one red another blue (they were Pulsing) and a split white light, expecting the Russians they went to investigate the scene but it was triangular UFO thing. They thought they could go back and report it to halt (the chief) and all the animals went into a frenzy. Next night there were more lights and two crescent moon shaped lights and turned to an angle and disappeared.

What do the locals believe  
Locals believe it was the light house near Rendlesham forest also a random man said he was using his eye lights but how could it be beaming down on the ground? we wont know!

# RENDSHAM

Did you know?  
The moon IS NOT made out of cheese its made of dust and rocks also a part is made of ice and rocks!

What do the locals believe  
Locals believe it was the light house near Rendlesham forest also a random man said he was using his eye lights but how could it be beaming down on the ground? we wont know!
