16th June 2020

A message from Mrs McCluskey

Fantastic News!

On Monday 22nd June we will be opening a new Year 1 and Year R bubble/group and welcoming back two year 6 bubble/groups. In order to do this we are using every possible space in the school. The community centre has kindly offered us a space, however guidance released yesterday from the DfE has said we cannot use this space.

Therefore I need to stress we are now at FULL capacity. I do not have any more spaces for Year R, Year 1 or keyworker children (who are not registered).

The guidance released yesterday is clear that if parents do not decide to take up an offer of a space or do not respond, schools can offer this capacity to another pupil and therefore you will not be able to take a space before September. I am sure you understand this takes a lot of organisation, so if you have said no or refused a space, no space will be available.

If you said Yes to Mrs Miller or Mrs Best when they rang you will receive an email confirming your place.

Wellies

We will be putting wellies out in Year Group tubs on the driveway from 9:30- 2:00 Wednesday and Thursday this week for collection. This is the only opportunity to collect them before September.

Books

We are organising our library ready for our new reading programme in September, therefore we need any books in that you have at home, please. A box will be put out Monday and Tuesday next week outside the office porch. Please drop any books into it.

Can we just remind you to keep an eye on your children when they are using the internet as online safety is your responsibility outside of school

We are proud of a friendly environment that promotes the PRIDE values inspired by the Olympic legacy, where everyone takes pride and is proud of their achievements

Virtual Competition Term 6-Week 3

Top tips

- Don't throw the socks too high.
- Aim for the socks to land just behind you.
- Experiment with using two hands or one hand to see what is quickest.

Equipment

- A rolled up pair of socks
- A timer

Challenge...

In this challenge you need good co-ordination and accuracy. The challenge is the same for all age groups. You must throw a pair of rolled up socks over your head then pick it up from between your legs. Every time you pick the socks up you score one point.

You must remain facing the same way throughout and see how many points you can score in 30 seconds.

Try to improve on your score throughout the week then ask an adult to email me with your name, school and best score on Friday. We will then have a virtual competition, I will put all of the scores together over the weekend and send out the results on the Monday along with the next week's challenge. There will be a top 3 awarded for every year group across all the schools that I teach in, these children will receive a "virtual certificate". We don't want the adults to miss out so they are more than welcome to join in, top 3 adults will be awarded a certificate too! If you would like to share any photos or videos please ask an adult to email them to me. If we have enough we will put together a weekly video of your achievements. My e-mail address is a.cavanagh@thelenham.viat.org.uk
