Christmas Lunch 11th December

Our supplier, Nourish, is having to restrict its purchasing in these turbulent times, and is asking for pre-orders for Christmas lunch. They are asking for meal numbers by next Monday, 30th November.

If your child would like a school Christmas Dinner you must fill in the form sent home last week (also on the last page of this newsletter) and return to school by 30th November. We cannot accept any orders after this date. This applies to all year groups. ***If we do not receive your form by 30th November, you will need to provide your child with a packed lunch on Friday 11th December.***

Reading with your Child

Listening to your child read aloud regularly at home has a huge impact on their learning and their academic achievement across the curriculum. Reading for just 10 minutes each day can have significant benefits and enhance your child's ability to reach expected standards. At Lenham Primary School, we strive to ensure that our pupils appreciate how valuable and rewarding reading can be, and our aim is that all children develop a love of reading that stays with them right through to adulthood.

The starting point for reading is of course the actual skills of reading words on the page, but there is so much more behind the skill of "reading". This guide will help you to support the different areas of reading which are not only assessed at school, but also support your child in their learning journey across the whole curriculum.

Hints for getting the most out of reading at home:

Find 10 minutes to read with your child when there is not a rush either before or after the 10 minutes.

Find a quiet, comfortable place with no distractions.

If your child is a reluctant reader, then share the reading with them or take turns in reading. Hearing fluent reading being modelled by an adult has a huge impact on the child's own reading ability.

For younger children, allow them to spend a few minutes by themselves to explore the front cover, the illustrations and text, before they read with you.

Be positive: if they make a mistake in their reading, praise them for their effort and say things like "let's read it together".

Try to make the reading time fun and stress free.

Christmas cards

This year the children can only send Christmas cards to people in their bubble/class. These will be held in the classroom and sorted in class. Please be mindful about licking envelopes.

Collection Path

We were so lucky to have the collection path donated, but I am sure you have seen parts are getting very muddy. We risk assess the path daily and if we deem it unsafe then we will have to return to the car park collection for that day. For now, please make sure you wear **suitable footwear**.

Amazon Wishlist

Thank you so much for all the donations, it has been amazing and overwhelming!

Healthy and happy packed lunches

Starchy foods like bread, rice, potatoes or pasta.

Protein foods like meat, fish, eggs or beans.

A dairy **item**, like cheese or yogurt.

Vegetables or salad and a portion of fruit. **No sweets or chocolate, please**

For health and safety reasons children are not permitted to wear jewellery in school. The only exceptions to this rule are: one pair of stud earrings in pierced ears.

These must be removed by the pupil for PE lessons, or any activity deemed by staff to need strict safety measures. PE is as important in the curriculum as English and Maths, therefore children must take part. Please make sure new piercings are carried out in the summer holidays and that earrings are removed for PE days if your child cannot remove them.
