Year 2 key information

Weekly News

It is really important that you keep up to date with events in class and the Weekly News is a key way of doing this. It is published on the school website every Friday. It will give details of any homework set.

Wellies

We try and use the field as much as possible across the year, so a named pair of wellies in a bag is essential to have in school.

Pencil Cases

These are welcome in class but need to fit into their trays!

Change of clothes

Keeping a simple change of essential clothing items in your child's bag is always welcome just in case they have an accident at school.

Water Bottles

A sip top water bottle is recommended for use in school. Please make sure they are clearly named.
