NHS

flu: 5 reasons to vaccinate your child

- 1. Protect your child**
The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia
- 2. Protect you, your family and friends**
Vaccinating your child will help protect more vulnerable friends and family
- 3. No injection needed**
The nasal spray is painless and easy to have
- 4. It's better than having flu**
The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record
- 5. Avoid costs**
If your child gets flu, you may have to take time off work or arrange alternative childcare
