### Leadership and Management

- I think the school is very well led and managed. You all strive to listen and improve so that's great!
- As a new parent to Lenham Primary I would say yes on the whole. Sometimes parents could do with more notice about upcoming events as communication sometimes feels rushed.
- ▶ I agree the school is well led and managed.
- Small school family feel about it where leadership know all the pupils names. My child feels valued.
- High expectations. Happy school with a strong sport ethos. Good teaching. Strong and positive ethos with behaviour- children are friendly and polite and are equipped to deal with things they don't like ie the I messages.

## **Bullying**

#### Responding to bullying

The following steps may be taken when dealing with all incidents of bullying reported to the school:

o If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.

o The school will provide appropriate support for the person being bullied - making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.

o A member of staff will interview all parties involved.

o The DSL will be informed of all bullying issues where there are safeguarding concerns.

o The school will speak with and inform other staff members, where appropriate.

o The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentially policies.

o Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.

o If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.

o Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.

o A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.
