## Your child is on the Path to Paris!

To celebrate the Paris 2024 Olympic and Paralympic Games, Path to Paris is challenging children across the country to virtually travel to Paris by getting active.

Your child is taking part in the Path to Paris and we need your support to power their team virtually around the world to make it to Paris in time for the Games.

Parents and carers can support young people by encouraging them to get active and helping them to log their activity on the website. Their team will progress even faster if you are getting active alongside them.

### 1. Get active as a family

There's lots of ideas and inspiration on the website.

### 2. Head to the website

Key in the unique pin found on the back to find your team.

### 4. Track your progress

Keep track of how far your team has travelled on the website.

### 3. Log your activity

Your child's activity will be converted into a distance.

### 5. Win prizes

Teams that log their activity will be eligible to win prizes to bring home, athlete visits to their club or school, or money-can't-buy opportunities to attend Team GB and ParalympicsGB events.\*
