In order to promote Science in our school community, Mrs Hampshire is searching for adults who work within a field of Science who are willing to visit the school during assembly time (10.15-10.30) to talk about their roles and inspire the next generation. The assemblies take place daily and Mrs Hampshire would support the delivery each day. If you would like to share your passion and are free w/c 11th March during assembly time please let the office know, along with information about the field you work in, (via e-mail) and Mrs Hampshire will contact you to discuss the matter further.

Could this be the year you become a foster carer or host for Kent County Council?

Kent Fostering and Supported Homes are looking for new carers and hosts to join our outstanding fostering community in helping to care for some of Kent's most vulnerable children and young people.

Being part of our team you'll receive excellent support, fantastic training opportunities and could really make a positive difference to a child's life.

If you'd like to find out more please have a look at our website kentfostering.co.uk or give us a call on 03000 420002.

Please see information pack attached.
