The Kent Teacher of the Year Awards 2024 are now open for nominations.

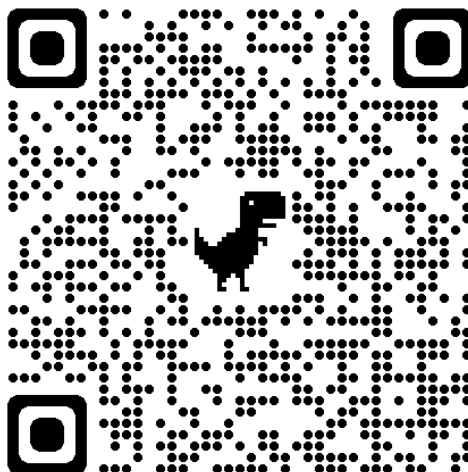

We believe that everyone working in the education system plays a vital role in shaping the future of our children. From the dedicated teachers who inspire and educate, to the support staff who keep everything running smoothly, we recognise the hard work and dedication of each and every person who contributes to our schools.

That's why we're excited to invite you to nominate someone for a Kent Teacher of the Year Award!

Whether it's a teacher who has gone above and beyond to support their students, a support worker who always has a smile on their face or a volunteer who has made a significant impact to their school community, we want to hear about them!

Nominations are open to parents, students, and peers, so if you know someone who deserves recognition, we encourage you to submit a nomination. With a wide range of award categories, including primary, secondary, early careers, non-teaching members of staff, and volunteers, there's an opportunity to recognise everyone who makes a difference in our schools.
