# Year 3 key information

## Weekly News

It is really important that you keep up to date with events in class and the Weekly News is a key way of doing this. It is published on the school website every Friday. It will give details of any additional class information.

## Wellies

We try and use the field as much as possible across the year, so a named pair of wellies is essential.

## Naming items

Please ensure that any items brought into school should be named so that they can easily returned to their rightful owner.

It doesn't matter  
what others are doing,  
it matters what you  
are doing.
