September 2024

Document history: Reviewed by Andrea McCluskey	
Agreed by the governing body on:	
Review date:	September 2027

Purpose

This policy aims to:

- Provide a **consistent approach** to behaviour management
- **Define** what we consider to be unacceptable behaviour, including bullying
- Outline **how pupils are expected to behave**
- Summarise the **roles and responsibilities** of different people in the school community with regards to behaviour management
- Outline our system of **rewards and sanctions**

2. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour and discipline in schools](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010](#)
- [Use of reasonable force in schools](#)
- [Supporting pupils with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

In addition, this policy is based on:

- Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its pupils
- Sections 88-94 of the [Education and Inspections Act 2006](#), which require schools to regulate pupils' behaviour and publish a behaviour policy and written statement of behaviour principles, and give schools the authority to confiscate pupils' property
- [DfE guidance](#) explaining that maintained schools should publish their behaviour policy online

3. Our approach

At Lenham Primary school we are committed to enabling all children to access education successfully. We believe in a family ethos, which established the best learning environment for all children and supports them in achieving their best. This is an "inclusive" process, with the commitment to a high standard of behaviour throughout the school.

We aim to create an atmosphere where children are able to develop a moral awareness and are sensitive to the needs of others and one in which they will show respect and consideration for other people and property.

Adults in the school praise and reward positive attitudes to behaviour and work, maintain fairness and consistency, whilst encouraging self-discipline.

Our behaviour policy has been developed around the Olympic PRIDE values:

[Personal Excellence](#)

[Respect and Resilience](#)

Inspiration

Determination and Courage

Equality and Friendship

Misbehaviour is defined as:

- Disruption in lessons, in corridors between lessons, and at break and lunchtimes
- Non-completion of classwork or homework
- Poor attitude
- Incorrect uniform

Serious misbehaviour is defined as:

- Repeated breaches of the school rules
- Any form of bullying
- Sexual assault, which is any unwanted sexual behaviour that causes humiliation, pain, fear or intimidation
- Vandalism
- Theft
- Fighting
- Smoking
- Racist, sexist, homophobic or discriminatory behaviour
- Possession of any prohibited items. These are:
 - Knives or weapons
 - Alcohol
 - Illegal drugs
 - Stolen items
 - Tobacco and cigarette papers
 - Fireworks
 - Pornographic images
 - Any article a staff member reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the pupil)

4. Bullying

Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power.

Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include:

Type of bullying	Definition
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence
Racial	Racial taunts, graffiti, gestures
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps or gaming sites

Details of our school's approach to preventing and addressing bullying are set out in our anti-bullying policy, below is an extract from the policy.

- Lenham Primary School community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.
- Our Community:
 - Monitors and reviews our anti-bullying policy and practice on a regular basis.
 - Supports staff to promote positive relationships to help prevent bullying.
 - Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
 - Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
 - Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
 - Requires all members of the community to work with the school to uphold the anti-bullying policy.
 - Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
 - Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy
 - Seeks to learn from good anti-bullying practice elsewhere.

- Utilises support from the Local Authority and other relevant organisations when appropriate.

5. Roles and responsibilities

5.1 The governing board

The Governing Body is responsible for reviewing and approving the written statement of behaviour principles (appendix 1).

The Governing Body will also review this behaviour policy in conjunction with the headteacher and monitor the policy's effectiveness, holding the headteacher to account for its implementation.

5.2 The headteacher

The headteacher is responsible for reviewing this behaviour policy in conjunction with the Governing Body, giving due consideration to the school's statement of behaviour principles (appendix 1). The headteacher will also approve this policy.

The headteacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently.

5.3 Staff

Staff are responsible for:

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording behaviour incidents on school management system.

The senior leadership team will support staff in responding to behaviour incidents.

5.4 Parents

Parents are expected to:

- Support their child in adhering to the school's behaviour policy.
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly

6. Pupil code of conduct

School rules are:

At Lenham Primary School, we DO the following...

We respect each other and our environment.

We take PRIDE in our work and behaviour.

Pupils are expected to:

- Behave in an orderly and self-controlled way
- Show respect to members of staff and each other

- In class, make it possible for all pupils to learn
- Move quietly around the school
- Treat the school buildings and school property with respect
- Wear the correct uniform at all times
- Accept sanctions when given
- Refrain from behaving in a way that brings the school into disrepute, including when outside school

7. Rewards and sanctions

7.1 List of rewards

Positive behaviour will be rewarded with:

1. Praise

- ✓ Using the marking policy with ticks and comments.
- ✓ Written praise
- ✓ Peer group praise
- ✓ Showing work to another class
- ✓ Being mentioned on website, bulletin, twitter
- ✓ Seeing Headteacher/ Deputy Headteacher
- ✓ Stickers
- ✓ Public comments made in front of class.
- ✓ Moving children up the learning ladder in class (all children start on green and if they reach the top they receive a Personal Excellence certificate in our celebration assembly).

- ✓ Receiving PRIDE certificates in our celebration assembly. This is then recorded on the hall display for everyone to see.

2. Class reward

Each class has a way of recording their progress towards the class award. When the class works well together and produces some wonderful work they can earn a reward towards the class reward. The class reward is something the children choose to do for 1 hour that can easily be achieved on school site.

3. Adding work to the Wonder/WOW wall

Every classroom has a Wonder/WOW wall. When children complete work that both the teacher and themselves are proud of, it is added to the WOW wall to be celebrated.

4. House Points

Children can earn House Points for good behaviour, excellent work, excellent learning behaviour, politeness, offering to do jobs and completing jobs. House Points are used to encourage positive behaviour and learning.

Each child is allocated a house when joining the school. When they receive a House Point they are given a plastic token which is added to the class House Point tubes. The class tubes are then emptied into the giant tubes in the hall. The house that gets the most House Points each term receives a non-uniform day.

5. Special responsibilities/privileges

Children can be rewarded through taking on roles: delivering messages, handing out work and delivering registers.

Year 6 children are given roles that help the running of the school- journalists, lunch monitors, Zumba leaders, updating the PRIDE display and setting up equipment in the hall.

Aids to help support behaviour

1. Universal Hand Signal

Across the school we all use a universal hand signal which the children copy and it means silence.

Silence

2. Visual Timetable

In every classroom there is a visual timetable which tells the children what will happen in the day, so children can be prepared for their learning.

3. Voice Numbers

Every classroom has a voice number key to help children manage the noise in the classroom.

0	No Voice
1	Whispering voice
2	Classroom Voice
3	Playground Voice
4	Emergency Voice

4. Morning Welcome

We like all children to feel welcome in the morning. Children in Year 2 upwards are asked to choose morning greeting which the adults in the class use to say good morning.

Examples are:

Hugs

Hand shake

Fist bump

Elbow bump

High 5

5. I Messages

We use I Messages to help the children express to their peers how they are feeling.

If a child does not like something they say

“I do not like it when you....it upsets me.

Please could you stop/ Please could you instead”

The response is then an apology from the other child. All adults will encourage children to use I Messages before getting involved. If children do not apologise then an adult will support with the I Message.

6. Zones of Regulation

To help the children in school manage their emotions and help them develop self- regulation and navigating social situations we have introduced Zones of Regulation.

Here are some skills taught during The Zones of Regulation:

- ✓ **Identifying your emotions** by categorizing feelings into four zones (more on this below)
- ✓ **Self-regulation:** Achieving the preferred state of alertness (zone) for a situation. This is all about regulating your body and emotional regulation.
- ✓ **Identifying triggers:** Learning what makes you “tick” and why
- ✓ **Coping strategies:** Various techniques and strategies that help achieve emotional regulation and manage strong emotions
- ✓ **Size of the problem:** Introduces the idea that the size of your reaction should match the size of your problem, how to identify the size of your problem, and strategies for problem-solving.
- ✓ **Expected behaviour vs unexpected behaviour:** This also covers perspective of how *your* behaviour affects the thoughts and feelings of the people around you.

Response to unacceptable behaviour (EY/KS1 and LSK2)

To manage unacceptable behaviour, we use a scale system. Level 1 being low level disruption to level 5 being seclusion/ exclusion.

Managing Behaviour			
Level	Behaviour seen at this level	Consequence	Adaptations for SEN children
1	Disrupting learning in class Refusal Not being safe Not being kind to others Name calling Not listening Inappropriate use of equipment	Spoken to by class staff member (positive questioning- what should you be doing? In line with our Anti-Bullying Policy we take all matters of Homophobia, Racism, discrimination and Bullying very seriously. If a situation occurs with will initially be investigated by the Class Teacher and SLT will be involved. The appropriate consequence will then be applied and behaviour will be logged.

If a child has regular occurrences of a behaviour in a short period of time a greater level can be applied.

If behaviour is persistent over time an internal seclusion or fixed term exclusion can take place, this will be implemented for the most serious behaviour.

This is not a comprehensive list of all behaviours- levels and consequences may need changing, this will be shared through discussion with parents.

Communication with parents will be via phone calls or face to face meetings.

We may use the isolation room/ space in response to serious or persistent breaches of this policy. Pupils may be sent to the isolation room/space during lessons if they are disruptive, and they will be expected to complete the same work as they would in class.

Managing Behaviour- Version in classrooms- more child friendly

5	Fighting Vandalism Leaving the classroom without permission Directed unacceptable language	Limited playtime/ no playtime Behaviour contract Lunch club Report Parent Meeting
In line with our Anti-Bullying Policy we take all matters of Homophobia, Racism, discrimination and Bullying very seriously. If a child has regular occurrences of a behaviour in a short period of time a greater level can be applied. Response to unacceptable behaviour (UKS2): To support the transition to secondary school

NB/The Learning Ladder will only be used, for certain children, to acknowledge positive consistent learning behaviour

If a pupil's behaviour is not at a level expected by the class team for learning (refusal, talking, shouting, wandering, excessive fidgeting, rudeness, defiance, intimidation, bullying towards staff / peers) then the following will be implemented....

Step 1

Class team (teacher, TA, HLTA) will quietly remind the pupil of the learning behaviour expectations. The team will also ask if they need any help to continue the task appropriately.

Step 2

If the undesired behaviour continues then the class team (teacher, TA, HLTA) will quietly pick up the pupil's books and relocate them to a different learning space where the pupil will be expected to take time to reset and settle. The pupil will be welcome to return to the class when they feel able. The class team will monitor them and support them with their learning. The pupil will not be expected to explain their behaviour unless they are wanting to do so.

Step 3

If the undesired behaviour continues then a member of SLT will be called to sit in the different learning space and work quietly alongside the pupil. Again, the expectation is that the pupil will reset and settle to their task in order to return to the class.

Step 4

If the undesired behaviour continues then SLT will take the pupil to an alternative learning space / their office where the pupil will be expected to reset and settle to their task. Returning to the class will occur after the pupil has explained their behaviour and discussed how it can be different next time.

Step 5

If the undesired behaviour continues beyond one teaching session then a phone call home will be made and a meeting held to discuss the behaviour of the pupil at the end of the day.

If Step 5 is reached 3 times in a term then an internal isolation will be implemented with a clear phased return to class.

7.2 Off-site behaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school, such as on a school trip or on the bus on the way to or from school.

7.3 Malicious allegations

Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the headteacher will discipline the pupil in accordance with this policy.

Please refer to our safeguarding policy/ allegations of abuse against staff policy for more information on responding to allegations of abuse.

The headteacher will also consider the pastoral needs of staff accused of misconduct.

8. Behaviour management

8.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Develop a positive relationship with pupils, which will include the strategies identified above in section 7.
- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display their own classroom rules.
- Establish clear routines.
- Highlighting and promoting good behaviour.
- Concluding the day positively and starting the next day afresh.
- Using positive reinforcement.
- Follow the Level system for unacceptable behaviour.

8.2 Physical restraint

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents- logged on school management system.

8.3 Confiscation

Any prohibited items (listed in section 3) found in pupils' possession will be confiscated.

These items will not be returned to pupils.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

8.4 Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

9. Pupil transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools.

10. Training

Our staff are provided with training on managing behaviour, including proper use of restraint, as part of their induction process.

Behaviour management will also form part of continuing professional development.

11. Child-on-child abuse

Child on Child abuse is defined as "any form of physical, sexual and emotional and financial abuse, and coercive control, exercised between children and within children's relationships, both intimate and non-intimate" (Abuse between young people: a contextual account (Routledge 2017).

All staff should be aware that child-on-child abuse takes many forms. This is most likely to include, but is not limited to:

- Bullying (including cyberbullying).
- Physical abuse. c. Sexual abuse.
- Sexual violence and sexual harassment, such as sexual comments, remarks, jokes and online sexual harassment.
- Upskirting, which typically involves taking a picture under a person's clothing without them knowing to obtain sexual gratification, or cause the victim humiliation, distress or alarm.
- Sexting. g. Initiation / hazing type violence and rituals.
- Gender-based violence.

- Relationship abuse (including domestic violence) where abuse takes place within existing intimate relationship(s).
- Non-consensual sharing of nude and semi-nude images and videos.

All child-on-child abuse is unacceptable and will be taken seriously. Staff must be aware that young people may be abused out of school but should not minimise the potential risks of student-on-student abuse within school too.

We recognise that child-on-child abuse must be addressed in the terms of the context in which it occurs. Contextual safeguarding recognises an approach which understands the harm and abuse to which young people can be exposed beyond their families.

As the school operates a contextual approach to safeguarding, it recognises the need to work alongside a Local Safeguarding Partnership, rather than just referring young people to it.

- This means that will be aware of, and will seek to understand, the effect that wider social contexts will be having on young people.
- That we are also committed to creating a safe culture within school by implementing all the policies and procedures that address child-on-child abuse.
- That we are committed to creating healthy relationships and attitudes to gender/sexuality and all forms of difference.
- That we will provide training for staff and students on potential bias and stereotyping and commit to an inclusive approach for all members of our community.
- In working with local agencies, we will contribute to the debate and implementation of child protection decisions by challenging threshold decisions which do not seem to be in the interest of the young person and will consistently refer cases using a contextual approach.

11. Monitoring arrangements

This behaviour policy will be reviewed by the headteacher and Full Governing Body every 3 years. At each review, the policy will be approved by the headteacher.

The written statement of behaviour principles (appendix 1) will be reviewed and approved by the Full Governing Body every 3 years.

12. Links with other policies

This behaviour policy is linked to the following policies:

- Exclusions Policy
- Safeguarding Policy
- Anti-Bullying Policy
- Allegations against staff

Appendix 1: written statement of behaviour principles

- Every pupil understands they have the right to feel safe, valued and respected, and learn free from the disruption of others
- All pupils, staff and visitors are free from any form of discrimination
- Staff and volunteers set an excellent example to pupils at all times
- Rewards, sanctions and reasonable force are used consistently by staff, in line with the behaviour policy

- The behaviour policy is understood by pupils and staff
- The exclusions policy explains that exclusions will only be used as a last resort, and outlines the processes involved in permanent and fixed-term exclusions
- Pupils are helped to take responsibility for their actions
- Families are involved in behaviour incidents to foster good relationships between the school and pupils' home life

The Governing Body also emphasises that violence or threatening behaviour will not be tolerated in any circumstances.

This written statement of behaviour principles is reviewed and approved by the Full Governing Body every 3 years.
